

CREATE A
Jewish
Legacy

What will your Jewish legacy be?

“When we attended parent-teacher conferences, we were struck by how the teachers and staff are so personally and professionally invested in the success of their students. Clearly, they feel it’s their mission to bring out the best in our children. Participating in Create A Jewish Legacy is an opportunity for us to support that mission as a family. It’s a great feeling to support such an exceptional educational institution in our community, both now and in the future.”
