**Policy Regarding Social Clubs**

"The Milwaukee Jewish Council opposes the use, by social clubs, of discriminatory practices, through quotas or otherwise. The Milwaukee Jewish Council should create an educational program designed generally to educate against discrimination by private clubs on religious or racial grounds. As part of its educational program, the Milwaukee Jewish Council should urge non-sectarian community groups not to meet at social clubs that discriminate on racial or religious grounds.

In carrying out programs which are designed to break down the wall of discrimination by private clubs, the Milwaukee Jewish Council should, as always, take into account the climate of opinion and conditions in the community."
