Jewish Community stands in solidarity with Sikh community

The Milwaukee Jewish community stands in solidarity with Sikh community and we offer assistance to the community, especially to the families of the victims. While we don't know many details at this point, this may well be an intentional attack on the Sikhs which would make the massacre even more heinous. Our society is based on freedoms of religion and due process of law. We hope that law enforcement will find and hold accountable all parties involved in this senseless and shocking tragedy.

The Jewish Community Relations Council of the Milwaukee Jewish Federation speaks as the representative of the Jewish community on issues of public affairs and public policy by convening and mobilizing the Jewish community through education, advocacy, social justice and support for Israel. JCRC chair is Joyce Altman. Jerry Benjamin is board chair of the Milwaukee Jewish Federation.
