TIMES CHANGE BUT OUR MISSION ENDURES

We find ourselves at a historic moment in time that will define us for years to come. Future generations will look back and measure the character of our community and of our leadership. They will measure us by the standard of a 2,000-year-old Talmudic mandate: *Kol yisrael arevim zeh bazeh*, All Jews are responsible for one another.

Times change, but our mission endures.

In the last century, we fought rising antisemitism in Germany and here in Milwaukee. We resettled immigrants who fled the threat of WWII, and then embraced the Survivors with open arms. We helped build the State of Israel, opened our homes and our hearts to Russian refugees, and airlifted Ethiopians to safety. More recently we've protected the security of our Jewish community

and tackled the impact of apathy and lack of engagement in Jewish life. Now, we are called upon again, this time to ensure a vibrant Jewish community when we emerge from the pandemic.

We were built for this moment: taking collective action to tackle our community's most devastating and seemingly intractable challenges.

This Annual Report is a tribute to the exceptional philanthropists who have empowered us to do remarkable work during extraordinary times.

With deepest gratitude,

Moshe Katz, *Board Chair*

Miryam Rosenzweig, *President and CEO*

WHAT WE DO

CRISIS MANAGEMENT: PANDEMIC

In the last several months, life as we know it has changed dramatically and in unimaginable ways. We find ourselves confronting one of the greatest tests of the Jewish people in our lifetimes.

Jews across the city and right next door are struggling to pay for food, fighting to hold onto their homes, and suffering from mental health crises. Social distancing has weakened many people's connections to their Jewish community when they need it most. Many of our Jewish organizations are fighting to sustain and adapt themselves so they can continue to provide the critical services our people depend on.

The times are unparalleled, as is their impact on Jewish life. In fact, we face existential challenges that threaten the very viability of our Jewish community.

How We Are Helping

RAISING ESSENTIAL FINANCIAL RESOURCES

As the center for Jewish philanthropy in Milwaukee, we are leading our Jewish community's response to the coronavirus pandemic. We launched a **\$3 million fundraising campaign** called The Fund for Jewish Milwaukee, a centralized source of support to benefit our whole local Jewish community.

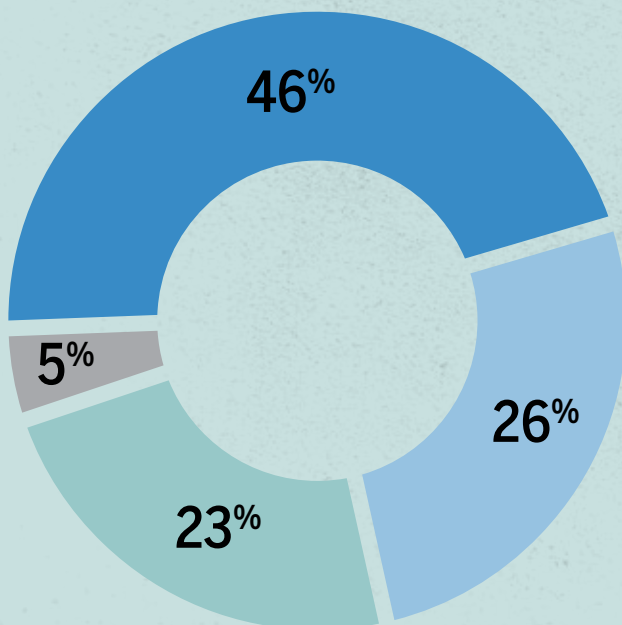

LEVERAGING CENTRALIZED PLANNING The Federation has provided services to **assist every local Jewish organization including synagogues:**

- Tax and legal consultation resulting in **\$10 million in federal SBA loans and grants** flowing into 40 organizations.
- **Negotiated deep discounts through bulk purchasing** for PPE, tents, and cleaning services.
- Worked with national and local experts to assist organizations in **reopening safely** and **provided free reopening kits** with gallons of hand sanitizer, thousands of face masks, thermometers and more.

WE WERE BUILT FOR THIS MOMENT: TAKING COLLECTIVE ACTION TO TACKLE OUR COMMUNITY'S MOST DEVASTATING AND SEEMINGLY INTRACTABLE CHALLENGES.

Distribution of funds from The Fund for Jewish Milwaukee through June 2020

- Emergency Funds for Organizations** Primarily directed by donors to specific organizations to meet their most urgent needs.
- Emergency Funds for People** Food, emergency loans and funds to avoid eviction, maintain utilities, pay medical bills and other crisis needs.
- Equipment** PPE, technology for remote education and worship, cleaning equipment and supplies.
- Professional Services for Organizations** Securing federal loans/grants (over \$10M), financial planning, change management.

Ari Friedman, our Director of Security and Community Properties, served on the national task force advising Jewish organizations on the safe reopening of their businesses.

STRATEGIC DISTRIBUTION OF FUNDS As stewards of community dollars, we have been strategic in analyzing community needs and determining the wisest ways to distribute funds. **We have focused on our unique ability to make an impact and kept our eye on the vision of a vibrant, if changed, Jewish future.**

Funds have been invested in stages. In the spring we focused on emergency response, and in the summer, we addressed recovering and adapting to the current realities of the pandemic.

EMERGENCY RESPONSE

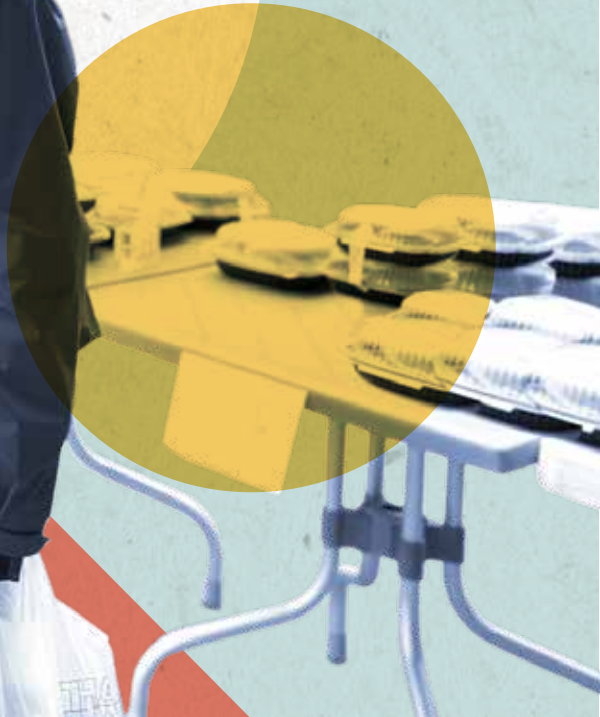

- Crisis funds for essential needs of individuals and families.
- Meals delivered to seniors, adults with disabilities and low-income families.

- Rolling carriage to move caskets safely and with dignity given the limited number of mourners at graveside funerals.

RECOVERY EFFORTS

- Technology to help schools operate remotely in the 2020-21 school year.
- Installation of safety equipment—such as 75 touchless hand sanitizing units—and upgrades to existing equipment—such as air filtration units.
- In-home adaptations for religious school.
- Identified dozens of funding resources and provided free grant-writing services to help organizations replace lost revenue.

WHAT WE DO

CARING FOR THE NEEDS OF THE JEWISH PEOPLE

The Federation and our partners work around the clock to care for the needs of the Jewish people – both individuals and the community as a whole – in Milwaukee, in Israel and around the world.

While many things came to a halt during the pandemic, concerns about security did not. We developed a grant program to allocate up to \$10,000 to every local synagogue to pay for professional **security guards** for the High Holy Days, Shabbat, religious schools, and special events.

Sadly, acts of **antisemitism** continued to increase over the past year. Our Jewish Community Relations Council (JCRC) monitors and responds to antisemitism. According to

their most recent audit, acts of antisemitism increased by 55% with a total increase of 329% since 2015. The nature of these acts is evolving to include a resurgence of neo Nazi symbols like the othala rune as well as a marked increase in hate group activity.

→ The JCRC works to interrupt antisemitism by developing strong relationships with other faith groups and civic leaders. They led a trip **to Israel with a bipartisan group of Wisconsin Legislators** to increase understanding of the region.

→ The Nathan and Esther Pelz Holocaust Education Resource Center (HERC) and JCRC worked with allies **to help pass an Assembly bill requiring Holocaust education in Wisconsin**. This accomplishment comes at a critical time when tensions over race and immigration are on the rise. HERC reached over

40,000 students and adults through its programming this year.

Another need met this year is case management services for our Jewish community through Jewish Family Services. **We funded a case manager position to help address the cultural barriers that prevent Jews from seeking the services they need.**

→ Since January 2020, 52 people have been assisted with housing, mental health services, employment and other essential services.

We are also caring for the needs of people in Israel and around the world. Like schools here in Milwaukee, schools in our **Partnership2Gether region, Sovev Kineret**, have adapted from in person to virtual learning. **We supported this effort by providing technology to serve 400 teens.**

WHAT WE DO

BUILDING A VIBRANT JEWISH FUTURE

Jews of today are a link in a chain of our ancestors that stretches back across centuries and millennia. The Federation works to ensure our future is as strong as our past.

A vibrant Jewish future is dependent on financial resources. In 1982 the Federation built Golda Meir House, a residence for older adults and individuals with disabilities. Until recently many of the residents were Jews from the former Soviet Union. We were approached with an offer to sell the

property for a price far above market value, and we sold the building for a net profit of \$6.5 million. The proceeds will be invested to support the financial future of our Jewish community.

Israel continued to be a centerpiece for engaging Jews of all ages despite the pandemic. After a year of study, our Israel Center sent pairs of grandparents and grandchildren to Israel. Our Shaliach (cultural emissary) continues to deliver programming virtually, and our Shin Shin (teen cultural emissary) is working “in” Milwaukee from Israel.

Prior to the pandemic, **Jewish Museum Milwaukee**

hosted some of its most successful exhibits including Chagall's Le Cirque and Inescapable: The Life and Legacy of Harry Houdini. They also continued to offer unique virtual programs that educated and engaged 30,000 people worldwide during the pandemic.

Our Coalition for Jewish Learning provided 700 hours – a new record – of **training for educators from religious schools, day schools, and preschools.** They also distributed innovation grants to help local Jewish organizations develop creative new ways to engage children and families in Jewish life.

HOW WE DO IT

COMMUNITY PLANNING

One of the reasons donors give to the Federation is that we are always looking at the overall picture of Jewish life. We ask the big questions: What does our Jewish community need to thrive today? What will the needs be in the future? And what's the wisest way to invest the charitable dollars that have been entrusted to us?

Looking to a vibrant, if changed, Jewish future

This year we began asking new questions: How will we ensure that our community will continue to be vibrant and engaging? How can we continue vital services? What creative solutions can we find to help our organizations manage massive financial challenges that outstrip philanthropic resources? How can we provide for the safety and sustenance of our people?

The decisions we make today will impact Jewish Milwaukee beyond this pandemic. They will define our future: whether we have the Jewish resources to attract new families and to keep our current community intact. Our work in responding to and recovering is just the beginning of how we are tackling the challenges associated with the pandemic. The most difficult work is yet to come.

CULTIVATING PHILANTHROPISTS AND LEADERS

The foundation of Jewish community is people — individuals and families who are committed to Jewish life and willing to show their support through volunteering, leadership and philanthropy. Through our **Women's Philanthropy**, **Young Leadership** and **Teen Philanthropy** programs, the Federation is ensuring that these individuals are engaged today and in the future.

Our **George Weinstein Fellowship** is an intensive program that trains young adults to lead us forward. Weinstein Fellows are coveted volunteers who find their way onto boards and committees throughout the Jewish community.

MEETING FINANCIAL NEEDS TODAY AND TOMORROW

JEWISH COMMUNITY FOUNDATION

The Jewish Community Foundation is the arm of the Milwaukee Jewish Federation focused on building a strong financial future through endowments and planned giving. The Foundation works hand-in-hand with individuals, families and Jewish agencies to help fulfill their charitable desires. As the Foundation continues to grow, so will the financial security of our Jewish community.

FUNDS

Over 520 Endowment Funds: An endowment is a fund that may support a charitable organization or cause in perpetuity. The JCF holds endowment funds for 35 agencies, schools and synagogues.

Over 440 Donor Advised Funds: Donor advised funds enable donors to recommend grants based on their personal interests and charitable objectives.

Over 600 Create a Jewish Legacy Donors: Create a Jewish Legacy is a program that encourages individuals and families to create legacy gifts providing permanent support to the organizations they care about.

Over 130 Book of Life Signers: The Book of Life is a collection of individual histories, hopes and dreams of people from all walks of life who have made commitments, either during their lifetimes or through their wills, to establish an endowment or make a bequest to the Jewish community of Milwaukee.

ANNUAL CAMPAIGN

The Milwaukee Jewish Federation's Annual Campaign is built each year by thousands of dedicated donors and volunteers. It's these dollars that drive many of the results described throughout this report. These are especially valuable dollars because most are unrestricted, allowing each organization to use the funds where they are needed most.

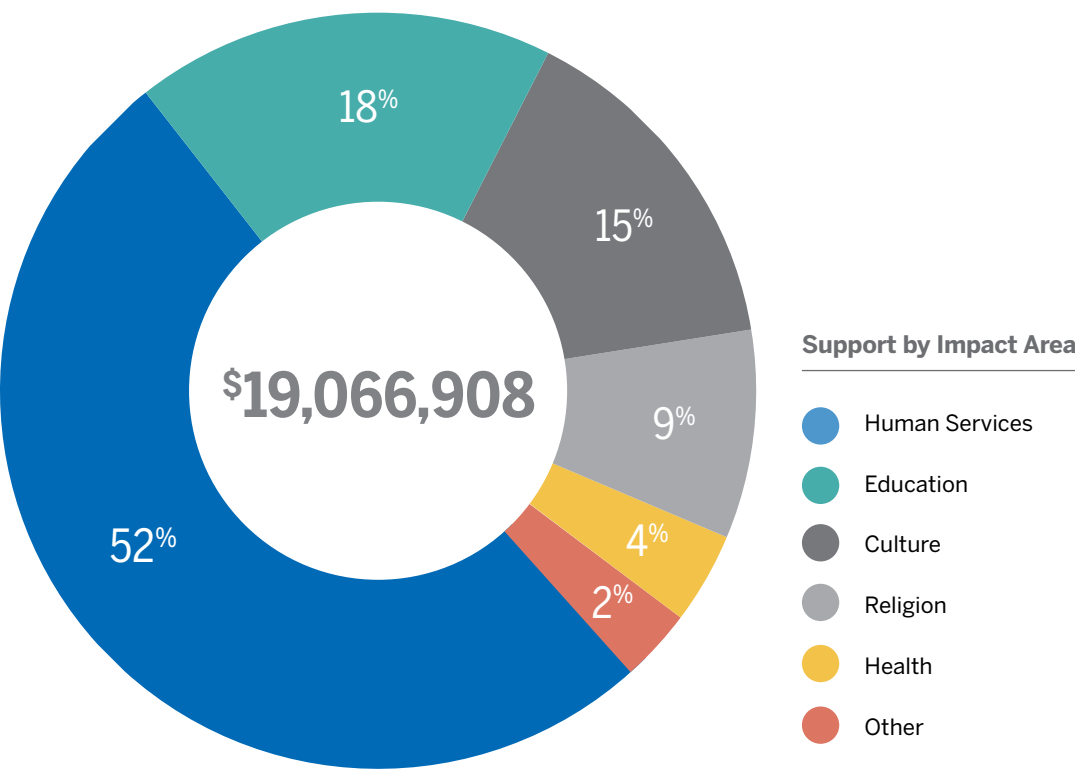

ENDOWED GIFTS

More and more donors are endowing their gifts to the Annual Campaign. An endowment ensures that after a donor is gone, an Annual Campaign contribution will be made in their name every year forever. This year, 17% of our Annual Campaign came from endowed gifts.

2019-20 SUPPORT FOR OUR COMMUNITY*

OUR DONORS

Today's Jewish women can perpetuate their own names and their commitment to Jewish continuity by establishing a LION OF JUDAH ENDOWMENT (LOJE), a fund that permanently endows a woman's annual gift to the Milwaukee Jewish Federation's Annual Campaign. Becoming a Forever Lion is a powerful statement of a woman's commitment to *tzedakah*, providing a legacy for herself, her family and the community for generations to come. Established with a minimum gift of \$118,000 either during a woman's lifetime or in her estate plan.

OUR MISSION

Through the development of community-wide financial support, planning and allocations, the mission of the Milwaukee Jewish Federation is to ensure the continuity of the Jewish people, to enhance the quality of Jewish life and to build a strong and unified Jewish community in Milwaukee, in Israel and throughout the world.

In fulfilling its mission, the Federation is committed to the principles of *Klal Yisrael* (the collective unity of the Jewish people), *Tzedakah* (the obligation to care for one another) and *Tikkun Olam* (improving the society in which we live).

The Milwaukee Jewish Federation earned Charity Navigator's coveted top rating of four stars for the eighth consecutive year.

Times change but our mission
endures: Caring for the needs of
the Jewish people and building a
vibrant Jewish future since 1902.
