

## **Shavuot Song**

I am a mountain so very high, I can reach way up to the sky,  
The Torah should be, given on me, for I am as high as can be  
You see . . .

I am a mountain so very wide, I can reach from side to side,  
The Torah should be, given on me, for I am as wide as can be  
You see . . .

But little Har Sinai just sat there and sighed,  
I am not tall and I am not wide  
The Torah will not be given on me, for I am as small as can be  
You see . . .

But out of them all, Hashem chose Sinai  
Because she did not boast and she did not cry  
The Torah will be given on Sinai  
For she is the best she can be  
You see
