

To Federal Emergency Management Agency (FEMA) and Wisconsin Emergency Management (WEM):

The [INSERT name of law enforcement agency] supports all efforts being made by [INSERT your organization] to improve the security acumen of the Jewish community. We support [INSERT your organization] project that focuses on becoming more resilient by target hardening and increased manned security (if applicable). This project will safeguard the Jewish community and help its stakeholders better mitigate risk and maintain a strong culture of safety and security.

We stand in support of [INSERT your organization] efforts to improve the facility and ensure security best practices continue to be maintained thus contributing to the overall safety of our community.

Sincerely,

**PRO TIP: Personalize the above text to make it more specific to your agency.**

**REMEMBER: Many organizations are applying, and will be submitting letters of support from law enforcement agencies. We don't want all letters to be identical.**
