

# IT'S MOMENTS LIKE THIS

Israel + our local community needs your support.

We have surpassed over a month of Israel's war against Hamas terrorists, and while the humanitarian aid needs are steadily increasing, our local agencies also need your support for security, fighting antisemitism and more.

**We are asking that you please support our:**

- Annual Campaign 2024
- Israel Emergency Fund

International partner the Jewish Agency for Israel has been on the ground for decades and was quickly able to respond to the needs of people in Israel during this latest crisis, including **evacuation, housing, respite, support for frontline communities** and more.

The Anti-Defamation League has reported a nearly **400% spike in antisemitic incidents** since the Hamas terrorist attacks on Oct. 7.

We have heightened security protocols at all Jewish organizations statewide, in addition to enhanced security across the state, with **1,700 individuals across 23 organizations** trained by our professional security team.

**Over 500 students** were kept safe and educated at our K-8 partnership schools, which include Bader Hiller Academy, Milwaukee Jewish Day School, and Yeshiva Elementary School.
